

FEBRUARY 2010

Quiet Walker Lodge

Winter is in full swing here at the lodge. We are busy preparing for our guests for Valentine's Day. Carol, our innkeeper, is planning a special Valentine point needs to be below 32 degrees for hoarfrost to form. It is spectacular to see the crystal gaze.

We have many exciting specials planned for the upcoming months. In March is **The Irish Have It** Special where you can enjoy the St. Patrick's Day parade in Dubuque, visit Shamrock Imports and enjoy Irish Spirit, food and drink at one of the local pubs. We will be offering 10% off our room rates the weekend of March 13th.

During the entire month of April, stay at Quiet Walker Lodge and **we will pay the taxes**. Enjoy the emerging of spring as the trees return to their vivid colors and the baby birds begin to hatch.

The **Dubuquefest** is coming May 14-16. Come and enjoy Washington Park Dubuque's fine art festival, with live music, arts & crafts throughout the weekend. Stay two nights at Quiet Walker Lodge and receive 10% off the rates.

So stop by and say hi. We are here to service you!
