## February... The Month of Love

February is always a busy month here at Quiet Walker Lodge. Lovers from all over the Tri-states enjoy visiting the lodge and staying in our romantic suites.

The heart-shaped whirlpool tubs are especially popular this time of year. Guests can make their stay unique by adding Betty Jane chocolates, roses or wine to their special stay at the lodge. For a minimal service charge and the cost of the item, we will make sure your special gifts are

in your suite upon your arrival. Or you can order flowers from a florist and have them delivered directly to your suite.

We also offer Native Iowa wines in our gift shop along with souvenir QWL wine glasses and unique gifts from around the world.

Whether you are visiting Dubuque, Galena or simply enjoying nature and hiking at the Heritage Trail, Quiet Walker Lodge provides guests with a relaxing setting surrounded by a forest

reserve and abundant nature.

Reserve your suite today and give your significant other a special gift this Valentine's Day with a weekend retreat at the lodge.

## February offers some unique events

On February 4th, 11th, and 18th from 12:00-2:00 PM, enjoy an afternoon snowshoe hike, at your own pace, through the Galena Cellars vineyard, and follow it up with wine tasting, cheese and crackers. The \$45 person includes snowshoe rental, wine tasting and shuttle ride to and from the vineyard. Call Fever River Outfitters at 815-

776-9425 for more information.

Also Fever River is offering the Chestnut Snowshoe Hike and lunch On February 5th, 12th, and 19th. It will take place through the woods and out to a beautiful vista overlooking the Mississippi River. After the leisurely hour hike, lunch will be served at the Sunset Grill Restaurant.

If hiking is not your forte, consider attending the comedy "Moving Mountains", playing at the Bell Tower Theater throughout February.
